## Caregiver Resources and Needs for Child/Youth Report

This report reviews areas of need for caregivers and highlights areas where caregivers can be a resource for the child. The Child and Family Team works together to support the caregiver. Areas rated '3' are a priority and require immediate action. Areas rated '2' may be a focus of care. Areas rated as a '1' are potential needs. Areas with no need are rated a '0'.

Some areas can also be a resource. For these areas, a rating of '0' identifies a caregiver area that is a resource for the child, and a '1' identifies a potential resource.

Use the **CANS Caregiver Resources and Needs Rating Key** to review rating definitions.

**Date of Report:** 4/13/2020

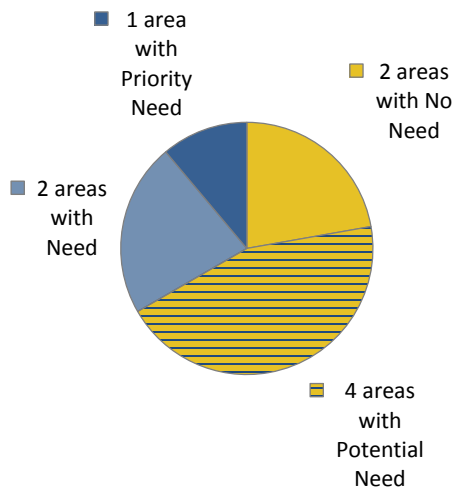

**Report Period:** 4/1/2019 – 4/1/2020
