## Child/Youth Needs Report

This report reviews a young person's needs identified during the reporting period. A child & family team work together to address needs and help to make progress towards goals. Needs rated as a 2 on the CANS are actionable and may be a focus of care. Needs rated as a 3 require immediate action. A goal for a need is reached when a rating is reduced from a (3 or 2) to a (1 or 0). Use the **CANS Rating Key** below to review rating definitions. New needs may arise over time as circumstances change.
